The unlocked version of the spreadsheet will be displayed in a new browser window, and automatically opened in Excel if it is installed in your system.. I'm agree with others that the site doesn't work with large size PDF files One more thing as far as security is concerned it's not a good practice to upload your pdf documents without knowing that the source is reliable or not.. The tool tool is free to try and it can remove restrictions from large size pdf files for free.. Maybe it asks if you want to modify properties> choose yes> select box archive amongst read only, hidden or archive.. That's why prefer to use desktop utilities One such tool i personally use to unlock a pdf file is pdf security removal. e828bfe731 soyo techaid pci diagnostic card manual
